SecureTech Systems Establishes a North American Dealer Network

FORT WORTH, Texas, October, 2008 –SecureTech Systems is pleased to announce that it has established an authorized dealer network across the United States and Canada.

Steve Kirby, SecureTech's Marketing Director explains, "After years of focusing our direct marketing efforts primarily on courthouse security systems, we felt it was time to give security integrators and radio dealers a chance to market the WAVE more widely."

The dealer network bolsters SecureTech's national presence, and provides customer's with the assurance that support is always close at hand.

We are pleased to have found so many high quality dealers interested in representing the WAVE to their customers. We are excited to be adding them to our team and are looking forward to developing a long relationship with them.

About SecureTech Systems

SecureTech is the world's leading supplier of instant notification systems that automate dispatch by transmitting alarms directly over radio networks.

SecureTech was founded in 1994 and has installed over 1,200 systems in all kinds of facilities across the United States and Canada.
