

PRIVACY POLICY

This Privacy Policy governs the manner in which SecureTech Systems, Inc. collects, uses, maintains and discloses information collected from users (each, a "User") of the company's website ("Site").

PERSONAL IDENTIFICATION INFORMATION

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users visit the site, register on the site, subscribe to newsletters, respond to a survey, fill out a form, and in connection with other activities, services, features or resources we make available on the Site. Users may be asked for, as appropriate, name, email address, mailing address, phone number and/or other information. Users may, however, visit the Site anonymously. We will collect personal identification information from Users only if they voluntarily submit such information to us.

NON-PERSONAL IDENTIFICATION INFORMATION

We may collect non-personal identification information about Users whenever they interact with the Site. Non-personal identification information may include the browser name, the type of computer and technical information about Users means of connection to the Site, such as the operating system and the Internet service providers utilized and other similar information.

WEB BROWSER COOKIES

The Site may use "cookies" to enhance User experience. User's web browser places cookies on their hard drive for record-keeping purposes and sometimes to track information about them. A User may choose to set their web browser to refuse cookies, or to alert you when cookies are being sent. If you do so, some parts of the Site may not function properly.

USE OF COLLECTED INFORMATION

Users personal information may be collected for the following purposes:

- Information you provide helps us respond to your customer service requests and support needs more efficiently.
- We may use information in the aggregate to understand how our Users as a group use the services and resources provided on the Site.
- We may use feedback you provide to improve our products and services.
- To run a promotion, contest, survey or other Site feature or to send Users information they agreed to receive.
- To respond to User inquiries, questions, and/or other requests.
- If User decides to opt-in to our mailing list, they will receive emails that may include company news, updates, related product or service information, etc.
- If at any time the User would like to unsubscribe from receiving future emails, User may contact us via our Site.

PROTECTION OF COLLECTED INFORMATION

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information and data stored on the Site.

We do not sell, trade, or rent Users personal identification information to others. We may use third party service providers to help us operate our business and the Site or administer activities on our behalf, such as sending out newsletters or surveys. We may share your information with these third parties for those limited purposes provided that you have given us your permission.

We do not collect or maintain information from those that we actually know are under 13, and no part of the Site is structured to attract anyone under 13.

CHANGES TO THIS PRIVACY POLICY

SecureTech Systems may update this privacy policy at any time. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

ACCEPTANCE OF THIS PRIVACY POLICY

By using the Site, you signify your acceptance of this policy. If you do not agree to this policy, you should not use

the Site. Your continued use of the Site following the posting of changes to this policy will be deemed your acceptance of those changes.

If you have any questions about this Privacy Policy, please contact us.
